What is the difference between a scholarship, award and a bursary?

A **scholarship** is an award recognizing academic excellence or achievement. In certain cases, financial need may be taken into account as a secondary criterion to decide between candidates of approximately equal achievement. A **bursary** is an award that is distributed based on financial need. **When applying for a bursary you must supply a financial disclosure form.** Bursaries may also require applicants to meet certain geographical or demographic requirements. An **award** is a loosely defined term referring to awards that are neither scholarships or bursaries. In certain cases, awards may be plaques or recognition certificates, while in other cases, awards may be professional memberships coupled with cash prizes.

What is the difference between an entering, returning and graduating student?

An entering student is someone who is entering post-secondary education for the first time. An entering student may not necessarily have come straight from high school. An entering student may also be a mature student who is entering college after several years in the workforce.

A returning student is a student who has completed the first year of studies in a two or three year Loyalist College program.

A graduating student is one who has completed a two or three year program of studies at Loyalist College. Many award and scholarship recipients are identified by Program Coordinators as having excelled in their studies. These awards generally recognize achievement as a student is graduating from Loyalist College.

For further information regarding these scholarship, awards & bursaries contact the Accounting Services Department (613) 969-1913 ext. 2202.

Other Financial Support

General bursaries based on financial need are available from funds set aside from tuition fee increases. Please contact the Financial Assistance Office (613) 969-1913 ext. 2226 or vanihill@loyalistic.on.ca for further details and an application.

In addition to bursaries, a total of \$300,000 is available College-wide through the College's Work Study program. For more information contact the **Financial Assistance Office (613) 969-1913 ext. 2226.**

For more information on other awards please refer to the College Website at www.loyalistcollege.com or www.scholarshipscanada.com

The **application deadline** for scholarships, awards and bursaries is indicated on the following pages.
